**DOWN SYNDROME
AFFILIATES IN ACTION** 

DSAIA has entered into a nationwide pool of non-profit organizations associated with the America Saves Program. This pool will provide aggregate buying power for all the organizations. This pool currently purchases thirty million dollars worth of products a year. Now, each and every DSAIA member organization will be able to leverage the buying power through this buying program. OfficeMax goods and services purchased by individual DSAIA affiliates will result in significant discounts.

DSAIA Member organizations will be issued a Personal Identification Number (PIN) through DSAIA as well as a Retail Connect Card for in-store discounts. The preferred method of purchasing will be online with free next day delivery for most orders.

OfficeMax will track all online purchases and add them to the purchasing pool of America Saves. Purchases in the store may be made at the same discounted price, but the purchases will not be reported to the America Saves program.
