### PHRONESIS PUBLISHING OFFER

Local parent support groups are the touchstone for families of children and adults with Down syndrome in their community. Throughout the year, they offer trusted resources to their members and the community at various events including awareness walks and education conferences.

This DSAIA VIP Program offers a discount of up to 55% for our affiliate members, available through December 31, 2011. Quantities do not need to be of the same title. Discounts are taken from the full listed price, not the discounted price.
